

April 18, 2011

Dear Colleague,

Mariner Health Care is pleased to announce open positions for *Physical and Occupational Therapists, Assistants, and Speech-language Pathologists*. Attached are the open positions for all Mariner Facilities in Northern and Southern California.

Clinical Programs include, balance and fall prevention, wound care, strength training, kinesio taping, use of modalities, and home assessments. Continuing education is available to certify our therapists in designated clinical areas.

Mariner is a recognized leader in *Skilled Nursing & Rehabilitation Centers*. Our treatments are state of the art and many of our facilities have newly renovated therapy gyms and activity of daily living functional training areas. Sign-on bonuses are available for designated locations.

I look forward to speaking with you about an opportunity for you, or someone you know, to join our dynamic healthcare team. You may contact me by email, by telephone or simply email or fax your resume.

Mariner appreciates its staff's commitment to the care and health of our elderly and short stay population, those returning home, and those who may continue under our care.

Sincerely,

Jenny Marie Abella
